SECTION 2

APPLICATION REQUIREMENTS

2.1 Informal Requirements for First Specialty Application:

There are many things over and above knowledge of standards and mechanics which are necessary for the complete Judge.

Listed below are some, but by no means all, of the intangible prerequisites for a Judge who will be a credit to CFA. The Executive Board is keenly aware of the responsibility it bears to its member clubs, the exhibitors at its shows, and those who pay admission to attend such shows, to use great care and selectivity in licensing those to be entrusted with the title of CFA Judge.

Many of these intangible requirements, which go into the making of a Judge of whom CFA can be proud, are innate; others may be acquired. Some require a wide exposure to and a deep interest in all breeds of cats which cannot be acquired in too short a space of time.

It is expected that each person wishing to become a CFA Judge will have sufficient dedication to this ambition to survey their own potential for judging as objectively as they would be expected to judge entries in the show ring and the self-discipline to wait until they are absolutely certain that they are ready for the responsibilities of judging, before making application to the Judging Program. Each Applicant accepted to the Judging Program becomes the recipient of much time and effort on the part of many people which will be wasted if the application has been made prematurely.

A few of these abilities and traits of character are:

1. Be of good reputation, both in the cat fancy and in the community.
2. Have a complete understanding of the CFA Show Standards, CFA Show Rules, Judges' Code of Ethics, and the CFA Judging Program Rules.

3. Knowledge and skill in the handling of the breeds of cats covered by the specialty for which the application is made. There are subtle differentiations between the breeds as to the approach each will respond to most favorably.
4. The patience and ability to keep, under internal and external stress and disturbance, that calm demeanor which will serve to reassure nervous cats.
5. Self-confidence without arrogance.
6. The ability to control emotions and temper, both with humans and with cats, under any and all circumstances.
7. The ability to reach a firm and reasoned decision and adhere to it without wavering or self-doubt.
8. The ability to set aside personal preferences and prejudices and consider each entry solely on the basis of the current CFA Show Standard.
9. The ability to retain complete control of the judging ring, while at the same time maintaining harmony and rapport with those working in the ring.
10. The ability to retain composure in the face of possible unpleasant atmosphere and comments from onlookers.
11. The faculty for the discreet showmanship which can hold an audience's attention, while at the same time maintaining complete dignity and making the cats, which are the reasons for the show, the focal point of attention, thereby enhancing interest in all cats. At all times, it is the cat which should be given the limelight.

Agenting may be completed alone, in conjunction with Custodial Care, or with a combination of owned kittens/cats, Custodial Care, and Agenting. Each cat must be exhibited to a title change.

- 1.** Agenting requires four (4) different Longhair kittens/cats, exhibited in at least three (3) shows each.

2. Custodial Care/Ownership requires having Custodial Care or ownership of each of the two body types (Persian/Exotic and Other). The primary breed plus a minimum of two (2) additional breeds. Persian/Exotic must be primary or one (1) of the additional breeds.

b. Shorthair: There are three (3) body types (Foreign/Oriental, Semi-Foreign/Moderate, and Substantial). Foreign/Oriental must be one (1) of the four (4) Shorthair breeds. If Foreign/Oriental is the primary breed, three (3) additional breeds must be owned or have been agented by the Pre-Applicant. Breeds shown must be from all three body types. Agenting may be completed alone, in conjunction with Custodial Care, or with a combination of owned kittens/cats, Custodial Care, and Agenting. Each cat must be exhibited to a title change.

1. Agenting requires six (6) different Shorthair kittens/cats, exhibited in at least three (3) shows. Including their primary breed, each of the three (3) body types must be exhibited.

a. Longhair – three (3) breeds of both body types:

1. Agenting six (6) different Longhair cats in each of the two (2) different body types, at a minimum of three (3) shows each, exhibiting each to a title change.

2. Custodial care or ownership of four (4) different breeds, in each of the three (3) different body types, at a minimum of three (3) shows each, exhibiting each to a title change.

2.17 Breed-Focused Experience: Three (3) choices are available to complete this requirement – Cattery Visits, Independent Breed-Focused Experience at a show, or Judge Supervised Breed-Focused Experience at a show.

a. Longhair Pre-Applicants must have five (5) varied Breed-Focused Experiences in the applied-for specialty to include a variety of body types.

b. Shorthair Pre-Applicants must have seven (7) varied Breed-Focused Experiences in the applied-for specialty to include a variety of body types.

1. Cattery Visits: The owner of the cattery must be a current breed council member OR be an active participant in CFA, having bred at least one (1) CFA Grand Champion and have had at least two (2) litters in the past two (2) years. A variety of breeds of varying body types is recommended. The Pre-Applicant must handle a minimum of seven (7) kittens/cats at the same visit. Comments on the strengths and weaknesses of each cat are required, as well as one (1) or two (2) photos showing the Pre-Applicant handling the kittens/cats.

2. Independent Breed-Focused Experience at a Show: When seven (7) or more kittens/cats combined in all categories (Kitten, Championship, Premiership) are present at a show, a Breed-Focused Experience can be scheduled by first examining a breed summary in advance of the show to determine if enough entries of a particular breed have been entered in the show. Once determined that this would be a good show to attend, the Pre-Applicant should locate the Independent Breed-Focused Experience form on the CFA Website, print the form and bring it to the show. The Pre-Applicant should approach exhibitors and ask if they can handle their cats of the selected breed. Let them know this is an assignment for the Judging Program Application. The kittens/cats will be handled in the benching area. With guidance from the exhibitor the Pre-Applicant should learn how the cats they handle meet (or not meet) the written standard for that breed, what challenges exist for the breed in the standard, and what breed-specific handling is necessary to help put this breed at ease in the show ring. The Pre-Applicant should write the cat's information on the Independent Breed-Focused Experience form, and ask the exhibitor to sign the form. Comments on the strengths and weaknesses of each cat are required, as well as one (1) or two (2) photos showing the Pre-Applicant handling the kittens/cats. The Pre-Applicant must then observe at least two (2) judges judging each class and document how they rank the cats. If time allows and if enough cats of a second breed are present, additional other breed handling can be done, but may not be possible on the same day.

3. Judge Supervised Breed Focused Experience at a Show: Seven (7) or more kittens/cats combined in all categories (Kitten, Championship, Premiership) must be present at a show. A non-officiating Judge may be present and willing to guide the Pre-Applicant. A ring may become available later in the day for the cats to be brought to the ring for this handling. The Pre-Applicant should seek out the exhibitors to participate. With guidance from the non-officiating Judge the Pre-Applicant should learn how the cats they handle meet (or not meet) the written standard for that breed, what challenges exist for the breed in the standard, and what breed-specific handling is necessary to help put this breed at ease in the show ring, thus being able to better evaluate the cat. The Pre-Applicant should write the cat's information on the Judge Supervised Breed-Focused Experience form and the exhibitor should be asked to sign the form. Comments on the strengths and weaknesses of each cat are required, as well as one (1) or two (2) photos showing the Pre-Applicant handling the cats. The Pre-Applicant must observe at least two (2) Judges judging each class and document how they rank the cats. The observation of the two (2) Judges handling and ranking the cats may

have to happen earlier in the day, prior to the Judge Supervised Breed-Focused Experience.

2.18 BAOS Attendance: The Pre-Applicant must attend a BAOS for the Specialty they are applying for, within two (2) years prior to application submission to the Application Administrator.

2.19 Marking the Judges Book: The First Specialty Pre-Applicant must mark a judge's book in the ring of a CFA Allbreed Judge. This includes all color class sheets, breed summary sheets, and finals sheets. Absentees and transfers are to be included and marked correctly.

1. Approximately six (6) months prior to submission of the application, the Pre-Applicant will work with their Mentor to select a show and Allbreed Judge to complete this assignment.
2. Once agreed, the Pre-Applicant will reach out to the Judge and the Show Manager of the club holding the show to obtain permission and approval. The Pre-Applicant should obtain the Permission form on the CFA website, complete the form, and email it to the Show Manager for approval. The Pre-Applicant will ask the Show Manager to provide judges' class sheets, breed sheets and finals sheets. Once all approvals have been completed, the Pre-Applicant will provide the Permission Form to their Mentor, the Allbreed Judge and appropriate Application Administrator. The Pre-Applicant should also obtain the Judge's Guide from the website, "Marking a Judges' Book Judges' Guide" and forward it to the Judge prior to the show.
3. At the show, the Pre-Applicant will obtain the Judge's book, meet with the Judge and arrange to sit at the Judge's table on the opposite side from the ring clerk, making sure there is adequate access to and from the ring and room for the Judge to work.
4. The Judge or clerk must provide the Pre-Applicant with the absentee and transfer list, and provide information on additional absentees, transfers by color class number only, or disqualifications during the course of judging.
5. As the Judge hangs their ribbons in class judging and in the finals, the Pre-Applicant will mark the sheets appropriately. This must be done without any assistance from the Judge or clerk, except for absentees, transfers, and any disqualifications.
6. At the completion of judging, the Pre-Applicant will check the paperwork and then provide it to the Judge.
7. The Judge will compare their paperwork to that of the Pre-Applicant. If errors are found, the Judge will mark the incorrect paperwork and will advise the Pre-Applicant that the exercise is not correct and will mark the last page about the error. If the paperwork is correct, the Judge will sign the last page and will include the following statement: "I have reviewed the paperwork and found it to be identical to mine and error free".
8. The Judge will keep the yellow copy of the color class sheets, the pink copy of the breed and final(s) sheets and return the other copies to the Pre-Applicant.

9. Within five (5) days following the show, the Pre-Applicant will scan and send the paperwork to their Mentor and to the Application Administrator for review by a member of the JPC.
10. The Application Administrator will advise the Pre-Applicant whether their paperwork is correct or not. If error-free, the paperwork will be recorded in the files. If not, the exercise must be repeated until the paperwork is determined to be error-free.

2.20 Pre-Applicants from the USA and Canada must have exhibited in at least two (2) regions outside their own region. Pre-Applicants from Regions 8, 9 and the International Division are not required to exhibit outside their own regions.

2.21 Provide a statement about why the Pre-Applicant wants to be a CFA Judge.

2.22 First and Second Specialty Pre-Applicants must submit the Application and all required documents in one single file, PDF format. Application deadlines and all forms for applying to the Judging Program are located on the CFA Website on the Judging Program Resources page.

2.23 A Pre-Applicant who is an officer, director or judge in an organization structured for purposes similar to those of CFA must furnish proof of severance within fifteen (15) days of their acceptance to the CFA Judging Program. While a part of the CFA Judging Program, they may not join or rejoin any such organization following the severance. Employment with an organization structured for purposes similar to those of CFA is strongly discouraged.

2.24 Recommendation Letters First Specialty

1. Three (3) CFA club recommendation letters are required. Pre-Applicants must ask at least three (3) CFA clubs for recommendation letters. Two of the clubs must have produced a show in the previous two (2) years. Club recommendations would normally be discussed at a regularly scheduled meeting and be recorded in the minutes. The club's president and secretary must sign the recommendation letter. If the Pre-Applicant holds one (1) of these offices, another club officer must sign. Multiple club recommendations from the same officers will not be accepted. These letters are confidential and must be signed, scanned, and emailed directly to the appropriate Judging Program Application Administrator.
2. Three (3) personal recommendation letters are required. Pre-Applicants must ask for at least three (3) personal recommendation letters. The Club Officers who signed club recommendation letter may not provide personal recommendation letters. TRAINEES

8.1 Color Classes for Trainees – Breed/Division Color Class Sessions

a. Applicants who have been accepted to the Judging Program are designated as Trainees and are eligible to do breed/division color class work under the supervision of an Approved Judge; however, no Trainee shall be assigned to any Approved Judge who personally recommended the Trainee for acceptance to the Judging Program, nor may they train with their Mentor.

b. The Trainee and File Administrator will jointly select shows that are appropriate for the Trainee to train. The Trainee must not discuss training with the Training Judge or the Show Manager before approval has been obtained from their File Administrator. The Trainee must complete the first part of the Trainee Permission Form and send it to the File Administrator. The File Administrator arranges with the selected training Judge to accept a Trainee at the proposed show. The File Administrator then secures approval from the Show Manager and obtains the signed Permission Form for a Trainee to train at the show. The File Administrator will request of the Show Manager a Judge's book including color class sheets, breed and final sheets for the specialty and will request specific scheduling for the Training Judge.

c. The File Administrator will assign the Trainee to the Training Judge who they feel will best benefit that Trainee. Shows where a Trainee is authorized to work with more than one (1) Training Judge at the same show will count as one show/class credit.

d. Trainees are permitted at the following format shows:

- Saturday or Sunday of a back-to-back show;
- Two (2) day Allbreed shows (may train both days);
- One (1) day all Longhair or one (1) day all Shorthair shows;
- Two (2) day specialty shows one (1) day given to Longhair, and one (1) day given to Shorthair;

- One (1) day four (4) to six (6) ring shows, on a limited basis.

e. Only one (1) Trainee is allowed per specialty. The number of Trainees allowed is limited to two (2); one (1) Longhair and one (1) Shorthair.

f. Trainees may not request training on two (2) consecutive weekends, except in specific situations when it is considered by the File Administrator to be advantageous to the Trainee's progress. Exceptions will be infrequent.

g. The File Administrator reserves the right to deny permission to any Trainee to work at any show with a permissible format when, in the opinion of the File Administrator, the circumstances of that show will not serve to adequately further the Trainee's progress.

8.2 Breed/Division Color Class Sessions

a. First Specialty Trainees must perform at a minimum three (3) supervised and three (3) solo breed/division color class sessions and handle a minimum of one hundred fifty (150) cats. Associate Judges with sufficient judging history follow guidelines outlined in Section 5.

b. The first training session will be considered primarily learning the mechanical procedures involved in judging. The last supervised session will be to evaluate the Trainee's ability to go on to solo color class sessions.

c. A total of two (2) shows must be outside their region, country or area (for China), or not less than five hundred (500) miles or four hundred (400) kilometers from their place of residence.

d. Second Specialty Trainees must perform at a minimum six (6) breed/division color class sessions and handle a minimum of one hundred fifty (150) cats.

e. At least two (2) shows that are solo sessions should be outside their region, country or area (for China), or not less than five hundred (500) miles or four hundred (400) kilometers from their place of residence.

f. Trainees in Japan must complete a minimum of two (2) sessions working with Judges from Regions 1-7 or 9.

g. Trainees in the International Division must complete at least two (2) training sessions with Judges from Regions 1-7 or 9.

h. Trainees may not have entries at a show where they do color classes, nor may they judge a cat owned or agented by a member of their household.

i. Trainees may not have access to a show catalog until after they have been dismissed by the Training Judge.

j. Trainees must present themselves to the Training Judge under whose supervision they are to work prior to the start of judging for that day and will remain with the Training Judge until the completion of all judging in that ring or until dismissal by the Training Judge.

8.3 Supervised Color Classes For Trainees

a. The Training Judge will determine, along with the guidance of the File Administrator, what breed/division color classes the Trainee will judge.

b. In order to save time and avoid undue handling of the exhibits, it is suggested that the Judge remove each cat from the judging cage, place it on the judging table, and make their examination, while the Trainee stands back and observes the handling and techniques used by the Training Judge. When the Training Judge is finished with the entry, the Trainee will examine it and return it to its judging cage. This procedure may be reversed at the discretion of the Training Judge.

c. Prior to the hanging of any ribbons by the Training Judge, the Trainee will mark their color class sheets for each cat handled, giving comments on each exhibit, and will award 1st, 2nd, 3rd by title in the male and female color classes; Best and 2nd Best of Color Class, Best and 2nd Best of Breed/Division and Best Champion of Breed/Division, if applicable. These decisions are to be arrived at independently and without consultation at the time of marking. Each entry must be judged by the CFA standards.

d. The Training Judge will hang all ribbons according to their own decisions. The Training Judge and the Trainee will then confer privately to discuss the cats and decisions.

e. Immediately following completion of training at the show, the Trainee must scan the color class sheets, breed sheets and final sheet, and email them to the Training Judge and the appropriate File Administrator.

8.4 Trainee Paperwork

a. Within two (2) days after the show, the Trainee will scan the catalog pages marked with the Training Judge's decisions, as well as the Trainee's decisions, and also any corrections found during this two (2) day review, and email them to the appropriate File Administrator.

b. Paperwork errors other than a mechanical error, that occur in a trainee's training session, that are not corrected will be cause for counseling/coaching by the file administrator, and if repeated issues occur, the mentor will become involved to coach the trainee. Unresolved paperwork errors on the third or subsequent sessions, that have been coached, and continue to occur during training will be brought to the JPC for evaluation, and further action. These repeated errors could have an impact on the number of training sessions a trainee is required to complete.

c. The first training session that has a mechanical error will have the trainee notified and counseled on how to avoid mechanical errors, letting them know that the training session will count. A subsequent training session with a mechanical error will be cause for an additional training session.

8.5 Solo Color Classes For Trainees

a. When the Trainee has completed at least three (3) supervised color classes, the File Administrator will schedule them for solo color classes. Associate Judges with sufficient judging history follow guidelines outlined in Section 5.

b. The Trainee will observe the Training Judge who will judge the entries and mark their judging book but will not hang ribbons. The Training Judge will turn the ring over to the Trainee who will judge the cats, mark their book and hang the appropriate ribbons.

c. At the completion of the Trainee's judging, the Trainee's ribbons will be removed and the Training Judge will hang the official ribbons. The Trainee's awards have no official status.

d. The Training Judge and the Trainee will then confer privately to discuss the cats and decisions. It is expected that there will be some differences in the decisions of the Trainee and the Training Judge. The Trainee will be asked to present justifiable reasons for their decisions.

e. If time allows, the Trainee will be asked to present a final. The final may be a complete final or a shortened final such as a top 5 rather than Trainee's selected top 10.

f. Immediately following completion of training at the show the Trainee must scan the color class sheets, breed sheets and final sheet, and email them to the Training Judge and the appropriate File Administrator.

g. The File Administrator will provide the applicable forms to the Training Judge, which must be completed and returned to the File Administrator as soon as possible following the show. Judges are requested to make pertinent comments on both the tangible and the intangible aspects of a Trainee's qualifications for judging in addition to answering the specific questions on the form and also to make any suggestions which they feel will be helpful to a Trainee for the future. It is important that both the JPC and the Executive Board have as much information as possible on the performance of a Trainee in the ring before the Executive Board must decide whether to promote, defer or drop a Trainee from the Program.

8.6 When the services of a Trainee are used to judge Household Pets, they will be reimbursed as specified in the CFA Show Rules.

8.7 Trainees must not discuss possible invitations to judge or accept any invitations contingent on advancement by the Executive Board to the status of Apprentice Judge.

8.8 Trainees will have two (2) years to complete the required color class training. An extension may be granted by the Executive Board for medical reasons or extenuating circumstances. Those Trainees not completing color classes in two (2) years will be dropped and may re-apply after a two (2) year period.

8.9 Second Specialty Trainees may not begin training in the second specialty until they have advanced to Approved status in the first specialty. An Individual can advance to Approved First Specialty and Trainee Second Specialty at the same Executive Board Meeting.

SECTION 9

The Apprentice Judge will be reimbursed by the hiring club for transportation, lodging, meals, taxis and tips.

SECTION 11

LICENSING

11.1 Payment of the annual fee (as determined by the Executive Board) is a requirement for relicensing or, in the case of a Trainee, remaining on the Judging Panel. This fee is due at the beginning of each calendar year.

11.2 Approved, Approval Pending and Apprentice Judges, including Associate Judges, are licensed annually. Each name will come up before the Executive Board for review prior to licensing.

The Refresher course will involve color class work under the supervision of an Approved Allbreed Judge designated by the JPC. A written report will be submitted to the JPC by the Supervising judge.

The Judge or Trainee will be authorized to commence participation in the Judging Program in the same status as when they were placed on leave of absence.

11.19 All CFA Judges must officiate at least three (3) CFA shows in two (2) years in order to be relicensed. Judges who have not fulfilled this requirement will be placed in Inactive Status and must complete a Refresher Course before returning to active Specialty or Allbreed status.

SECTION 12

JUDGING INVITATION CLARIFICATIONS

12.1 Judging Invitations to CFA Judges by Non-CFA Associations

a. Invitations to CFA Judges from clubs affiliated with non-CFA cat associations not domiciled in the U.S. are subject to the approval of the JPC and may be considered only by Approved Allbreed, Approval Pending Allbreed or Approved Specialty Judges. A Judge may judge only the specialty/specialties in which they are approved.

b. Judges invited to guest judge for eligible international cat associations MUST request permission and receive approval from the Guest Judge Administrator prior to signing a contract. Such approval is conditional upon there being no licensed CFA show scheduled within a five hundred (500) mile (or equivalent kilometer) radius or within a country in Europe of the subject show, at the time the approval is granted. CFA show(s) licensed after approval has been granted will not negate the approval. CFA Judges participating in Multi-Association/In-Conjunction shows may be approved to judge for CFA on one day, and guest judge for an approved association on the other day. For a Multi-Association/In-Conjunction request, the five hundred (500) mile (or equivalent kilometer) rule would not apply. The request for approval must contain:

1. Judge's name.
2. The invitation from the affiliated association.
3. Name of the club hosting the show.
4. Show location, date and format.

c. Requests to judge Fun Shows, 4H shows or to conduct seminars require approval of the designated JPC member.

1. Fun Shows judging will not be approved for shows licensed by an association other than CFA, though may be approved if for an unaffiliated feline club.
2. Fun Show judging will not be approved if FFF or ICE judges are also officiating.
3. Fun Show judging will not be approved as an in-conjunction show, sharing a show hall or second day at the same venue where an ICE or FFF show occurred.
4. Associate Judges may judge all types of cats at a Fun Show.
5. The Fun Show must not score the entrants or place any titles on the cats participating, other than for awards at that specific show.
6. No ring type or judge type can be designated.

7. A CFA Judge accepting a Fun Show assignment must investigate the Fun Show format to ensure the above criteria are met, including scoring, ring type or judge type designations.

12.2 Judging Invitations to CFA Judges from International Division CFA Clubs

- a. Invitations from CFA clubs in the International Division may be considered by CFA Judges of any status, Apprentice, Approval Pending or Approved. A Judge may judge only the specialty/specialties in which they are approved.
- b. Associate Judges may judge only in their designated area. They may not accept invitations outside their designated area.

12.3 Invitations to Non-CFA Judges to Judge a CFA Show

Judges at the Approved Guest Judge level may guest judge for CFA a maximum of ten (10) times per show season and a maximum of three (3) times per club, per show season. Judges at the Guest Judge level may be approved to guest judge for CFA a maximum of five (5) CFA shows per show season, and a maximum of three (3) times per club, per show season. A Judge may only judge the level at which they are licensed. When the show format includes a specialty ring, Guest Judges will serve as a Specialty Judge unless a specialty-only CFA Judge would be serving as the required Specialty Judge. The following information must be provided to the JPC:

1. Judge's name.
